CARING SHARING BELIEVING

Friday, June 8th

At Conner Strong & Buckelew, we strongly believe in giving back to the communities where we live and work, and as a community partner, we're dedicated to improving the lives of those in need. To that end, we are proud to announce we will host our 6th Annual **Community Day on Friday, June 8th.**

As part of the company-wide day of service, nearly 200 Conner Strong & Buckelew employees will volunteer with three local New Jersey organizations that need our help. Service events include mural painting; bench, bookshelf and furniture assembly; anti-bullying and math workshops; general landscaping and environmental beautification; and more. By mobilizing our employees and encouraging their hands-on participation, we are excited to impact the community in a bigger, more meaningful way than ever before.

Please note that while we will remain open for business on Friday, June 8th, we will have limited resources available. Rest assured that our professionals who are volunteering have made the appropriate preparations for their absence.

Thank you for your understanding and support in making this event a success.
