About Conner Strong & Buckelew

Conner Strong & Buckelew is a leading insurance, risk management and employee benefits brokerage and consulting firm. Through proprietary approaches, the firm offers customized programs that align with organizational goals and drive bottom-line growth. Founded in 1959, with offices in New Jersey, Pennsylvania, Delaware and Florida, the firm ranks among the nation's largest insurance brokerages. It annually places approximately \$1 billion in premium volume through its nearly 300 professionals, serving clients throughout the United States and abroad. The firm's Personal Risk Services group, led by Catherine Lunn and Robert Kellner, understands high net worth clients' different lives, assets and diverse insurance needs. That's why the group has developed a unique approach to protecting those assets called the Personal Risk Manager approach. Clients work directly with a personal risk consultant on a tailored insurance program that aligns with their specific needs and protects their most valuable assets—regardless of where they might be.
